\* Age reflects the age of the child when the care was provided, and not when payment was made. A child could be counted in more than one age group if payments were made for multiple service months during the report month.

\*\* A child is counted in each facility type where care was provided.

\*\*\*Beginning August 2005, age group "Age 6 and over" was expanded to show "Ages 6 - 14 +" separately
